

Snowstorm To-Do List

Flashlights

Gas

Water bottles

Canned food 1-2 days worth (because we really don't eat much)

Charge all devices and power banks

Drip faucets

Unplug any unnecessary electrical equipment

Have all necessary meds

Cover outside faucets

Powdered or stable milk if wanted (idc)

Gather blankets, sleeping bags and layers

Batteries (flashlight and lantern)

Worst Case

Turn off water heater and electrical breaker

Create a "camp out" room for heat conservation

Fill jugs with water in case temperatures drop below freezing for multiple days
